Dear Mr. Dech:

I have been retained to represent the New Jersey Land and Community Preservation Alliance (hereinafter "NJLCPA") with regard to the above-referenced matter. It is my understanding that Vivaria Ecologics, LLC and/or Freedom Group, LLC may be presenting an application submitted to the Warren County Planning Department and the Solid Waste Advisory Council for inclusion and discussion at a hearing currently scheduled for September 1, 2022 at 7:30 PM. Kindly note that I am lodging an objection to the same on behalf of the NJLCPA. Additionally, I wish to advise you that I will be present at the meeting. As such, we respectfully request the right to present formal opposition to said application. We further respectfully request the right to cross-examine any and all of the applicants' witnesses who may be providing testimony before the Board. Kindly share this letter with the members of the Council and please forward this request to the Council's attorney and/or County Counsel. Thank you.
